COMPETITIONS under the direction of
PROFESSOR BOFEYS

It is a very sincere pleasure to me to welcome to Bournemouth the International Brotherhood of Magicians for their 1948 Convention.

I hope that you will not make the error of arranging such a heavy Convention Agenda that you will have no opportunity of enjoying the amenities that the town has to offer. Bournemouth in September is a lovely place, and I am sure that you will have the kindest memories of the Convention held here.

I extend every good wish for the success of your meetings, and look forward with the keenest interest to your coming.

J. W. MOORE,
Mayor.

COL LING SOO

President and Hon. Life Member of the British Ring.
I.B.M. Territorial Officer for England.

Wishes you all a No. 1 Topside velly happy time at
the Convention.

A Special Welcome to those Visitors from across the Seas

May old friends and new all meet in honourable spirit of Brotherhood,
good will and further the interests of the art of magic and the British
Ring of which I have the honour of being Plesident.

OSWALD RAE

Past President, Founder and Hon. Life Member of British Ring.

WELCOME TO BOURNEMOUTH.

My pleasure in welcoming magical visitors to Bournemouth on behalf
of the British Ring, is tinged with deep regret that this honour evolved on
me owing to the unfortunate indisposition of our worthy President and dear
friend Herbert J.

Although he is absent, throughout the Convention our thoughts will be
with him, and I am sure that all join me in wishing him a speedy recovery,
and we shall look forward to having him with us next year.

The sincere thanks of all members and visitors are due to our Convention
Committee, and particularly to our hard working Hon. Secretary, Bill
Stickland.

Here we are at our 12th Annual Convention, and as the Circus bills would
say, Bigger, Better, Brighter than ever.

Overture and beginners please! Ladies and Gentlemen, On With
The Show.

OSWALD RAE.

The International Brotherhood of Magicians

Members of British I.B.M. Ring No. 25
Bournemouth, England.

Greetings Fellow Magicians!

My fondest hope to be with you at Bournemouth for your twelfth annual convention is realized.

On behalf of the Executive Board, International Officers and Members of the International Brotherhood of Magicians throughout the world, I wish to extend sincerest greetings to all brother magicians in attendance at the Bournemouth Convention and wish all of you the happiest and most enjoyable time of your life. Let us all enjoy the renewing of acquaintances and the making of new friends in a spirit of good fellowship and brotherly love.

Most cordially and fraternally yours,

REN CLARK,
Immediate Past-International President.

WM. G. STICKLAND

Hon. Secretary, Hon. Life Member and Vice President, British Ring,
International Vice President, I.B.M.

It is a great joy to me to welcome my Magical friends on my "Home Ground" and I am sure the Fellowship of Magic, combined with the charms of Bournemouth, will result in the best ever Convention. This will be a memorable Convention owing to the distinguished visitors we have with us and I would like to extend a special welcome to the Past President of our parent Society, Ren Clark and his good lady; also to Charles Wicks, President of the Australian Society of Magicians, and other Overseas visitors. Great strides have been made since in 1931, with a membership of fifty, we held the first Convention in Prof. Bofeys' garden at Cheltenham, but with a present membership of over seven hundred, we have endeavoured, with some success I think, to retain the intimacy and camaraderie which characterized that first delightful meeting. I hope you all have a thoroughly enjoyable stay in Bournemouth.

THE COMMITTEE
WELCOMES YOU.
