A MESSAGE FROM THE PRESIDENT

ARCHIE TEAR

As President of the British Ring it gives me the greatest pleasure to extend a hearty and sincere welcome to all members and visitors to the 23rd Annual Convention—the third to be held in Buxton. It was my privilege and pleasure to attend the previous Conventions held in 1937 and 1947 in the beautiful surroundings and salubrious air of Buxton, and I am sure that the splendid programme of International Magic, lectures and other events will provide all present with a most enjoyable and memorable time.

I have happy and nostalgic memories of the first Convention held in Prof. Bofey's garden at Cheltenham in 1931, when we were but a handful of keen and enthusiastic members, and I have seen the British Ring grow from strength to strength with the Annual Conventions breaking records year after year. On behalf of all our members I sincerely thank our tireless and efficient Hon. Secretary, Wm. G. Stickland, the members of the Convention Committee and all whose efforts have been directed for so long a period to make this Convention possible and to ensure its success.

My warmest thanks are extended to the Mayor and Council of Buxton, the Publicity Manager and all who have shown us such kindness and courtesy by placing the necessary facilities at our disposal to enable us to make our third visit a happy and successful one.

Best Wishes to you all.
ARCHIE TEAR,
President.

MAYOR'S PARLOUR,
BUXTON.

June, 1959.

We in Buxton are delighted that the British Ring of the International Brotherhood of Magicians has elected to hold its 23rd Annual Convention in our lovely health-giving town, and bid you welcome.

The people of Buxton will, I know, ensure that your stay is a happy and memorable one.

I hope that when not occupied upon the business of Conference you will have opportunities of exploring the town and of appreciating the charm and natural beauty of the Peak countryside.

When the time comes for you to leave Buxton, I trust you will feel that your visit has been well worth while and that you will return to Buxton again in the not too distant future.

J. E. Hawley,

Mayor.

**A MESSAGE FROM THE INTERNATIONAL PRESIDENT
REEDER C. HUTCHINSON**

Greetings to the British Ring of the International Brotherhood of Magicians on the occasion of your 23rd Annual Convention at Buxton, Derbyshire, England.

INTERNATIONAL because you are members of a world-wide organization of magicians with 161 Rings and with over 5,000 members on every continent and in over 40 countries of the world.

BROTHERHOOD because, although its members come from widely diversified walks of life and from far flung locations in every region and clime, all are equally brothers in an organization whose highest aims are to promote better understanding between individuals and nations.

MAGICIANS because you are all devotees of an ancient art and craft which brings laughter to the voices of little children, smiles to the faces of those who are ill, and pleasure to all who behold it, and more than that, brings a sense of worthwhile accomplishment to those who know its secrets and practise its arts.

I wish you every success at your Convention; may the spectator always choose the proper card and coins drop silently during the coming year as we work together for the good of our organization.

I thank you now each individually for your efforts in furthering the good of the International Brotherhood of Magicians, both here at this convention now, and in the year ahead.

Fraternally and sincerely,

REEDER C. HUTCHINSON.

International President.

COMPETITION for the
NEW SILVER
BRITISH RING
SHIELD

8 p.m., September 17th

**Conditions Relating to Performance in the British Ring
(International Brotherhood of Magicians)
Annual Competitions**

These competitions shall be open to all paid up members of Ring 25 THE BRITISH RING. There shall be three main awards as follows:—

1. **THE NEW SILVER BRITISH RING SHIELD** and Cash Prize £10.
This will be awarded for the presentation of the most entertaining magical act and is held for one year.
 2. **THE CONVENTIONEERS' TROPHY**
For greatest originality shown either in effect, method or presentation and is held for one year.
 3. **THE CRAIG TROPHY**
For the best performance by a lady magician and is held for one year.
- In addition there are the
THEO SPEAKER CUP and Cash Prize of £5 for runner up.
To be held for one year.

THIRD PRIZE £3.

TOM HARRIS CUP (Comedy)

DITTIA SHIELD (Manipulation)

No bar is placed upon the number of awards that can be obtained by a successful competitor and thus a male winner of the British Ring Shield, could, having presented the most entertaining and at the same time most original act, qualify for two awards.

In the same manner a lady competitor equally successful would be entitled to all three awards.

The length of act submitted by each competitor should not exceed ten minutes playing time, and to assist him or her, a warning light will be flashed at the end of nine minutes. **Any competitor exceeding a time of ten and a half minutes will be automatically disqualified and such disqualification will be announced from the stage immediately before the appearance of the next competitor.**

The judges would consist of five members of the Ring, the local entertainments manager and the editor of the local paper. This composition might have to be varied according to location. There would be an umpire, a senior official of the Ring, who would have complete powers to accept or reject the judges' decisions. If he rejected them, he would be required to place his decision and reasons therefore before the Committee.

For additional guidance, the Instructions to Judges are appended.

ANNUAL COMPETITIONS

INSTRUCTIONS TO THE JUDGES

There are three competitions which require your judgment. The first is for the major award, the **BRITISH RING SHIELD**.

This will be won by the act, which in your opinion constitutes the most **entertaining** magical act.

In view of this the act should be considered from the point of view of **entertainment**. Imagine you are seeing it in a concert, or dinner or other show, either by itself or with a number of other acts of various types. Does it entertain you?

The following points may assist you in judging :—

A. Consider general entertainment first—that is important—then, if you have several acts which you consider equally entertaining give your attention to the following :—

B. Consider the entrance and exit of the performer, the stage setting and condition of apparatus, his or her dress, deportment and elocution, the nature of the tricks performed and the reaction of the audience. If the act is a silent one note the effectiveness of the mime.

C. You will take into account magical ability, but as you are viewing this from the layman's angle of entertainment with magic, your judgment must not be biased by a display of advanced technical ability which would **only be apparent** to a magician.

The points made above may help you decide. **YOU ARE NOT LOOKING FOR NEW TRICKS**—and if a performer does old ones very well in an **ENTERTAINING MANNER**—he deserves your marks. Remember that a layman may not have seen that vast repertoire of tricks that you know so well. Naturally the same remarks apply to patter.

The **SECOND AWARD** is for **ORIGINALITY**, and is in the main, the concern of those members of the panel who are magicians.

The merits necessary for this award are :—

1. Newness of effect, so far as is known.
2. A novel presentation employing twists on standard effects.
3. The entertainment value contained in such presentation or effects.
4. An adequacy of mystery.

The **THIRD AWARD** is that given to the best lady performer. This requires no further elucidation, the merits previously stated applying equally in this case.

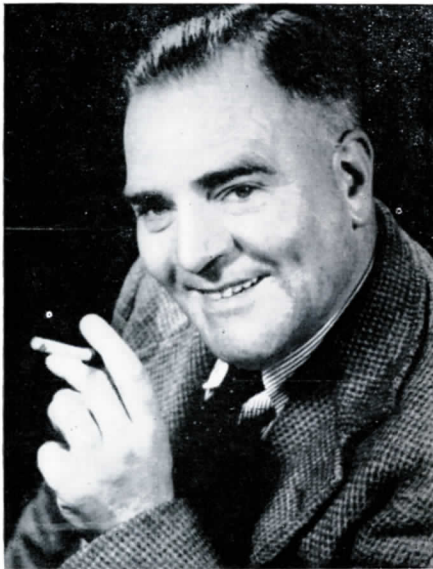

So as to allow for any disparities in judgment which may arise you are asked to write down the names of what you consider to be the best four acts, adding, if these do not qualify in the first four places, the performers entitled to the second and third awards. Seal your paper in the envelope provided and hand it to the Umpire. **PLEASE DO NOT DISCUSS YOUR DECISION WITH ANY OTHER MEMBER OF THE JUDGING PANEL** until you have all handed over your envelopes.

Magicians TV Workshop

Be ready for the increased demand for talent this Winter, now that BBC and ITV are both approaching saturation coverage. Rehearse your new season's act in front of the latest type of closed circuit television equipment, on the 6-25-line standard, supplied by

E. M. I. ELECTRONICS LTD.

pioneers of the high-definition television system now used throughout the world.

Important points like angles, permissible span of movement, suitability of colours for black and white reproduction can all be studied at leisure. Each trick, each move can be rehearsed again and again until you have it just "right".

Ringers with TV experience will be able to advise their less experienced colleagues, with practical demonstrations of how and how not to do it.

Royalty, politicians, actors and producers of TV commercials all perfect their broadcast television technique by the use of closed circuit equipment. Now you can do likewise.

Magic for every occasion

A black and white illustration of a rabbit dressed in a tuxedo with a bow tie. The rabbit is sitting and holding a wand in its right hand, performing a magic trick. A small top hat is on a stand in front of it, and a small figure of a man in a suit is emerging from the hat. The rabbit has a mischievous expression.
