THE PRESIDENT'S MESSAGE

WILFRED TYLER

I feel sure you will all agree with me that when we make a return visit with our Convention to a town, it is usually as a result of the success of the previous Convention held at that venue.

Casting our minds back to 1952, reminds us of the warmth of welcome we received from the Mayor and Mayoress, and the Public Relations Officer, Mr. A. K. Vint, and Mr. J. Burton, their able Entertainments Director.

From the preliminary visits that we have made to Hastings for this Convention there is every evidence that an even greater welcome awaits you all at the 1960 Convention. I so well know the Committee work ceaselessly throughout the year in your interests, to ensure that your stay will meet with every satisfaction. These men who look after this organisation are experienced in the job and we all owe them our very great thanks for their efforts.

I make a special welcome to those members of the British Ring, who are making their first visit to a Convention. I sincerely hope that there will be true brotherhood by the older members extending a welcome to these "new boys," so that they might not feel strangers in our midst.

To those who are sick and unable to be with us, I send a special greeting, with the hope that you may all be soon restored to good health and be enabled to join us at the next Convention.

MAYOR'S PARLOUR,
TOWN HALL,
HASTINGS,
September, 1960.

I am delighted to have this opportunity of extending a very warm welcome to the British Ring of the International Brotherhood of Magicians on the occasion of its Twenty-Fourth Annual Convention.

We remember with pleasure the occasion of your previous visit to our town, and I need hardly tell you how much we are looking forward to having you with us once again.

I hope your stay here will be most enjoyable and I wish you all a very happy and successful Convention.

C. Barfoot,
Mayor.

A MESSAGE FROM THE INTERNATIONAL PRESIDENT

HARRIS A. SOLOMON

It is my pleasant privilege to convey the heartfelt good wishes of the Officers, Board of Trustees and members of the International Brotherhood of Magicians to our British brothers on the occasion of your Convention.

May you enjoy the pleasure of each others company, the wisdom of the lecturers, the entertainment of the performing artistes; with the knowledge that as members of the largest magic fraternity in the world, you are, through each meeting of this sort, contributing to magic as an art.

WM. G. STICKLAND
Hon. Secretary, British Ring
and Organising Convention
Secretary.

JEFFERY ATKINS
Hon. Treasurer.

COMPETITION for the

**NEW SILVER
BRITISH RING
SHIELD**

**Conditions Relating to Performance in the British Ring
(International Brotherhood of Magicians)
Annual Competitions**

These competitions shall be open to all paid up members of Ring 25 THE BRITISH RING. There shall be three main awards as follows:—

1. **THE NEW SILVER BRITISH RING SHIELD** and Cash Prize £10.
This will be awarded for the presentation of the most entertaining magical act and is held for one year.
2. **THE CONVENTIONEERS' TROPHY**
For greatest originality shown either in effect, method or presentation and is held for one year.
3. **THE CRAIG TROPHY**
For the best performance by a lady magician and is held for one year.

In addition there are the

THEO SPEAKER CUP and Cash Prize of £5 for runner up.
To be held for one year.

THIRD PRIZE £3.

TOM HARRIS CUP (Comedy) and Cash Prize of £5 (kindly donated by Tom Harris)

DITTIA SHIELD (Manipulation)

No bar is placed upon the number of awards that can be obtained by a successful competitor and thus a male winner of the British Ring Shield, could, having presented the most entertaining and at the same time most original act, qualify for two awards.

In the same manner a lady competitor equally successful would be entitled to all three awards.

The length of act submitted by each competitor should not exceed ten minutes playing time, and to assist him or her, a warning light will be flashed at the end of nine minutes. **Any competitor exceeding a time of ten and a half minutes will be automatically disqualified and such disqualification will be announced from the stage immediately before the appearance of the next competitor.**

The judges would consist of five members of the Ring, the local Entertainments manager and the editor of the local paper. This composition might have to be varied according to location. There would be an umpire, a senior official of the Ring, who would have complete powers to accept or reject the judges' decisions. If he rejected them, he would be required to place his decision and reasons therefore before the Committee.

For additional guidance, the Instructions to Judges are appended.

ANNUAL COMPETITIONS

INSTRUCTIONS TO THE JUDGES

There are three competitions which require your judgment. The first is for the major award, the **BRITISH RING SHIELD**.

This will be won by the act, which in your opinion constitutes the most **entertaining** magical act.

In view of this the act should be considered from the point of view of **entertainment**. Imagine you are seeing it in a concert, or dinner or other show, either by itself or with a number of other acts of various types. Does it entertain you?

The following points may assist you in judging :—

A. Consider general entertainment first—that is important—then, if you have several acts which you consider equally entertaining give your attention to the following :—

B. Consider the entrance and exit of the performer, the stage setting and condition of apparatus, his or her dress, deportment and elocution, the nature of the tricks performed and the reaction of the audience. If the act is a silent one note the effectiveness of the mime.

C. You will take into account magical ability, but as you are viewing this from the layman's angle of entertainment with magic, your judgment must not be biased by a display of advanced technical ability which would **only be apparent** to a magician.

The points made above may help you decide. **YOU ARE NOT LOOKING FOR NEW TRICKS**—and if a performer does old ones very well in an **ENTERTAINING MANNER**—he deserves your marks. Remember that a layman may not have seen that vast repertoire of tricks that you know so well. Naturally the same remarks apply to patter.

The **SECOND AWARD** is for **ORIGINALITY**, and is in the main, the concern of those members of the panel who are magicians.

The merits necessary for this award are :—

1. Newness of effect, so far as is known.
2. A novel presentation employing twists on standard effects.
3. The entertainment value contained in such presentation of effects.
4. An adequacy of mystery.

The **THIRD AWARD** is that given to the best lady performer. This requires no further elucidation, the merits previously stated applying equally in this case.

So as to allow for any disparities in judgment which may arise you are asked to write down the names of what you consider to be the best four acts, adding, if these do not qualify in the first four places, the performers entitled to the second and third awards. Seal your paper in the envelope provided and hand it to the Umpire. **PLEASE DO NOT DISCUSS YOUR DECISION WITH ANY OTHER MEMBER OF THE JUDGING PANEL** until you have all handed over your envelopes.
