PRESIDENTIAL MESSAGE

Having attended all the British Ring Conventions since it was founded by Oswald Rae, I recollect we had very successful Conventions at Southport in 1939, 1949 and 1955 and here we are again in 1963 returning to Southport for the fourth time.

Looking back over those years, reminds us of the kindness we received from the Mayor and Corporation of this fashionable seaside resort.

Our hard working Convention Committee headed by Wm. G. Stickland are out to make this another outstanding Convention as you can see from the Bill of Fare within.

I am particularly delighted to welcome our Overseas Visitors especially the large American contingent headed by our International President Arnold Drennen

This is the first time we have had the honour of a visit from the reigning President of the International Brotherhood of Magicians and I feel it a great honour to be President of the British Ring at this time.

To newcomers: remember you are part of a Brotherhood, and I'm sure older members will see that you are part and parcel of "The Ring".

I sincerely hope that those magicians unable to attend our Convention through illness will have a speedy recovery to health.

A warm welcome to all at our Twenty-seventh Annual Convention at Southport.

DONALD G. CROMBIE.

MAYOR'S PARLOUR,
SOUTHPORT.

It gives me very great pleasure to extend a sincere welcome to all those attending the 27th Annual Convention of the British Ring in Southport in September, especially those visiting the town for the first time.

I do hope that all your Meetings and Social Functions will be successful, and that you will all retain happy memories of a pleasant Convention, held in an ideal setting.

Yours sincerely,

Mayor.

GREETINGS FROM THE INTERNATIONAL PRESIDENT

The centre symbol of our I.B.M. emblem is two acorns and an oak leaf, the oak denoting STRENGTH and the two acorns representing the Eastern and Western Hemisphere. They are joined, and this represents UNITED IN THE GOOD FELLOWSHIP OF MAGIC.

The annual British Ring Conventions have done much to spread this good fellowship of magic. The 27th Convention with its "International Gala" carries on in grand style this international fellowship.

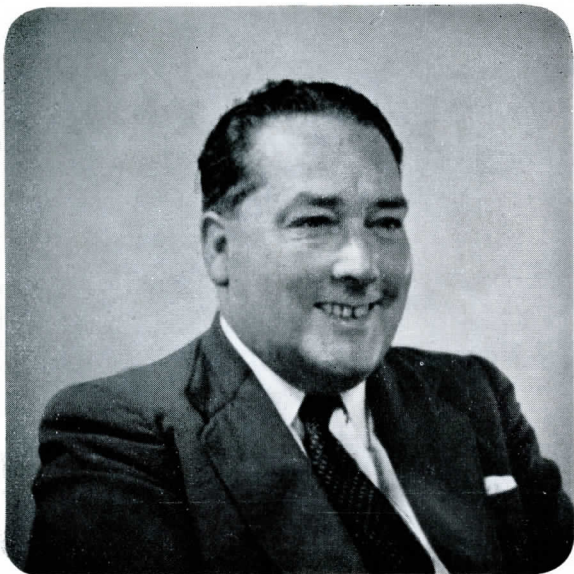

To the committee which has worked so hard to make this convention a success and to promote the brotherhood of magic my congratulations on a job well done.

To the Officers of the British Ring my congratulations on building the annual convention to a position where it is annually one of the largest conventions in the world and one renowned for its good magic and good fellowship.

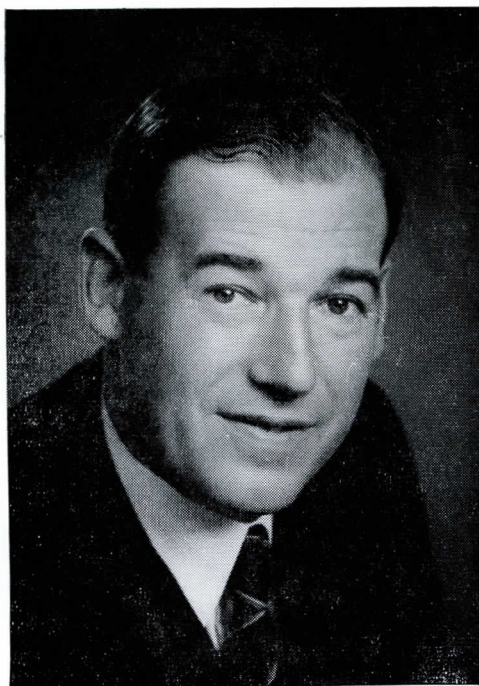

On behalf of the International Brotherhood of Magicians and myself, I extend greetings to all in attendance, confident that this will be a memorable convention to you for years to come.

Mrs. Drennen and I hope to be present. We do hope to meet each of you and thereby add to our treasure chest that greatest of all treasures, more friends.

ARNOLD DRENNEN,
International President,
International Brotherhood of Magicians.

WM. G. STICKLAND
Hon. Secretary, British Ring
and Organising Convention
Secretary.

COMPETITION for the NEW SILVER **BRITISH RING SHIELD**

Conditions Relating to Performance in the British Ring (International Brotherhood of Magicians) Annual Competitions

These competitions shall be open to all paid up members of Ring 25 THE BRITISH RING. There shall be three main awards as follows :—

1. **THE NEW SILVER BRITISH RING SHIELD** and Cash Prize £10.
This will be awarded for the presentation of the most entertaining magical act and is held for one year.
2. **THE CONVENTIONEERS TROPHY**
The greatest originality shown in either effect, method of presentation and is held for one year.
3. **THE CRAIG TROPHY**
For the best performance by a lady magician and is held for one year.

In addition there are the

THEO SPEAKER CUP and Cash Prize of £5 for runner up.
To be held for one year.

THIRD PRIZE £3.

TOM HARRIS CUP (Comedy) and Cash Prize of £5.5.0 (kindly donated by Tom Harris).

DITTIA SHIELD (Manipulation)

No bar is placed upon the number of awards that can be obtained by a successful competitor and thus a male winner of the British Ring Shield, could, having presented the most entertaining and at the same time most original act, qualify for two awards.

In the same manner a lady competitor equally successful would be entitled to all three awards.

The length of act submitted by each competitor should not exceed ten minutes playing time, and to assist him or her, a warning light will be flashed at the end of nine minutes. **Any Competitor exceeding a time of ten and a half minutes will be automatically disqualified and such disqualification will be announced from the stage immediately before the appearance of the next competitor.**

The judges would consist of five members of the Ring, the local Entertainments manager and the Editor of the local paper. This composition might have to be varied according to location. There would be an umpire, a senior official of the Ring, who would have complete powers to accept or reject the judges' decisions. If he rejected them, he would be required to place his decision and reasons therefore before the Committee.

For additional guidance, the Instructions to Judges are appended.

ANNUAL COMPETITIONS

INSTRUCTIONS TO THE JUDGES

There are three competitions which require your judgment. The first is for the major award, the **BRITISH RING SHIELD**.

This will be won by the act, which in your opinion constitutes the most **entertaining** magical act.

In view of this the act should be considered from the point of view of **entertainment**. Imagine you are seeing it in a concert, or dinner or other show, either by itself or with a number of other acts of various types. Does it entertain you?

The following points may assist you in judging :—

A. Consider general entertainment first—that is important—then, if you have several acts which you consider equally entertaining give your attention to the following :—

B. Consider the entrance and exit of the performer, the stage setting and condition of apparatus, his or her dress, deportment and elocution, the nature of the tricks performed and the reaction of the audience. If the act is a silent one note the effectiveness of the mime.

C. You will take into account magical ability, but as you are viewing this from the layman's angle of entertainment with magic, your judgment must not be biased by a display of advanced technical ability which would **only be apparent** to a magician.

The points made above may help you decide. **YOU ARE NOT LOOKING FOR NEW TRICKS**—and if a performer does old ones very well in an **ENTERTAINING MANNER** — he deserves your marks. Remember that a layman may not have seen that vast repertoire of tricks that you know so well. Naturally the same remarks apply to patter.

The **SECOND AWARD** is for **ORIGINALITY**, and is in the main, the concern of those members of the panel who are magicians.

The merits necessary for this award are :—

1. Newness of effect, so far as is known.
2. A novel presentation employing twists on standard effects.
3. The entertainment value contained in such presentation of effects.
4. An adequacy of mystery.

The **THIRD AWARD** is that given to the best lady performer. This requires no further elucidation, the merits previously stated applying equally in this case.

So as to allow for any disparities in judgement which may arise you are asked to write down the names of what you consider to be the best four acts, adding, if these do not qualify in the first four places, the performers entitled to the second and third awards. Seal your paper in the envelope provided and hand it to the Umpire. **PLEASE DO NOT DISCUSS YOUR DECISION WITH ANY OTHER MEMBER OF THE JUDGING PANEL** until you have all handed over your envelopes.

Commenced in 1960 as a novelty at Hastings this programme has proved its popularity and value. To-day the items presented though considered as ‘Stage Magic’ are not necessarily items requiring apparatus. Each trick either stems from an old classic or in its own time has through perfection of plot entered into the field of ‘The Classics of Magic’.

"ROUTINING"

A Lecture-Demonstration
by

ACE
GORHAM

Ace Gorham in the course of his Lecture will demonstrate five routines all of which show how a great deal of thought will help to produce with ordinary objects, miraculous overall effects.

Ace Gorham so well known for his T.V. programmes in the U.S.A., is at home with all phases of the magic art. In this lecture three of the routines will have a mental slant whilst the other two will consist of a delightful Bill from Rope and a transposition of some borrowed ten shilling notes into a package of 'Polo' Mints.
