PRESIDENT'S MESSAGE

For this our Twenty-ninth Convention we visit for the first time the Principality of Wales, and from the details within the covers of this Programme you will see that Bill Stickland and his Convention Committee have arranged a great "feast of Magic" for us all.

This programme goes to many of our Members who are sick or ill, and unable to be with us, let us remember them as we visit the shows and perhaps send them a card from Llandudno. May I here wish you all a speedy recovery.

Some of you will be attending your first Convention, and to you and our Overseas Visitors—a special welcome. Our Stewards and Committee hope that you will make yourselves known to them.

Apart from all the lectures and demonstrations that the Committee have arranged, you have the chance to visit perhaps the greatest Magical Mart in the world, and meet the Dealers and the folk behind the scenes in Magic — although the programme is pretty full, I am sure that you will find time to visit and see all that there is New and Old in our great hobby.

Welcome to the Convention, and have a wonderful time.

PAUL GRAHAM.

MESSAGE FROM THE CHAIRMAN OF
THE LLANDUDNO URBAN DISTRICT COUNCIL

It gives me great pleasure to extend a message of welcome to all who will be attending the 29th Convention of the British Ring of the International Brotherhood of Magicians at Llandudno from the 15th to 19th September, 1965..

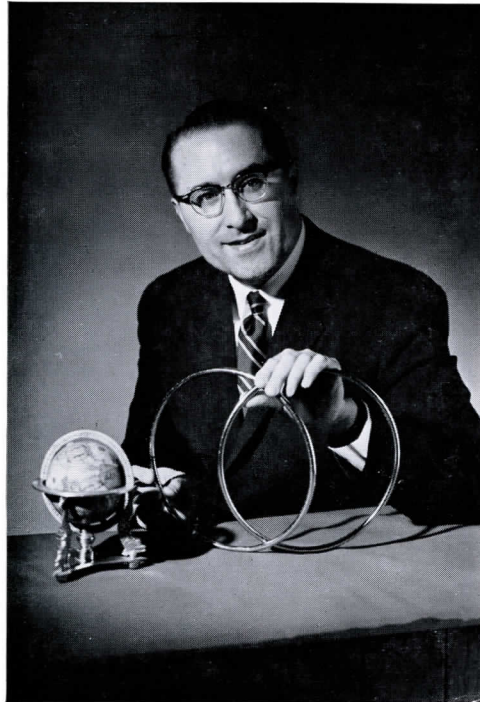

I understand that the Convention is being held in Wales for the first time and I am delighted you have chosen Llandudno for the venue.

I trust you will enjoy a most successful Convention at Llandudno and I look forward to meeting many of you personally.

W. F. BLACKBOROW,

Chairman.

GREETINGS from the INTERNATIONAL PRESIDENT

To the Members of the British Ring :

The honor and privilege of extending these greetings is diminished only by my inability to be with you this week at the twenty ninth annual British Ring Convention.

The International Brotherhood of Magicians will be represented this year by immediate Past International President Thornton Poole whose pleasure it shall be to convey personally the sincerest salutation of our membership throughout the world.

A confident wish for your success, your loyalty, your continued endeavours in the authorship of magical Brotherhood is happily and proudly tendered on behalf of the Officers and Board of Trustees of your I.B.M.

Sincerely and fraternally,

RICHARD O. MOSSEY,
International President,

U.F. (‘Gen’) Grant says :

“One of the few lecturers I would give up my easy chair for and spend ten dollars to see”.

and Gene Gordon :

“If you enjoy magic as a hobby then you have lots of surprises in store for you at Walt’s lecture. The easy way to do the tough things proves that there are more than six ways to skin a cat.”

In the course of his lecture Walt will present and explain some twenty items using commonplace objects. Whilst mostly table magic the visual quality of the effects allows of their presentation before a larger audience.

So that registrants can enjoy the lecture to the full it has been decided to hold it in two sessions at the times stated above. Tickets will be issued accordingly and it is especially requested that all those attending be in their seats five minutes before the lecture is due to commence.

COMPETITION
for the
NEW SILVER
British Ring
Shield

Conditions Relating to Performance in the British Ring
(International Brotherhood of Magicians)
Annual Competitions

These competitions shall be open to all paid up members of Ring 25 THE BRITISH RING
There shall be three main awards as follows:—

1. **THE NEW SILVER BRITISH RING SHIELD** and Cash Prize £10.
This will be awarded for the presentation of the most entertaining magical act and is held for one year.
 2. **THE CONVENTIONEERS TROPHY**
The greatest originality shown in either effect, method of presentation and is held for one year.
 3. **THE CRAIG TROPHY**
For the best performance by a lady magician and is held for one year.
- In addition there are the
THEO SPEAKER CUP and Cash Prize of £5 for runner up.
To be held for one year.
THIRD PRIZE £3.
TOM HARRIS CUP (Comedy) and Cash Prize of £5.5.0 (kindly donated by Tom Harris).
DITTIA SHIELD (Manipulation).

No bar is placed upon the number of awards that can be obtained by a successful competitor and thus a male winner of the British Ring Shield, could, having presented the most entertaining and at the same time the most original act, qualify for two awards.

In the same manner a lady competitor equally successful would be entitled to all three awards.

The length of act submitted by each competitor should not exceed ten minutes playing time, and to assist him or her, a warning light will be flashed at the end of nine minutes. **Any competitor exceeding a time of ten and a half minutes will be automatically disqualified and such disqualification will be announced from the stage immediately before the appearance of the next competitor.**

The judges would consist of five members of the Ring, the local Entertainments manager and the Editor of the local paper. This composition might have to be varied according to location. There would be an umpire, a senior official of the Ring, who would have complete powers to accept or reject the judges' decisions. If he rejected them, he would be required to place his decision and reasons therefore before the Committee.

For additional guidance, the instructions to Judges are appended.

ANNUAL COMPETITIONS

INSTRUCTIONS TO THE JUDGES

There are three competitions which require your judgment. The first is for the major award, the **BRITISH RING SHIELD**.

This will be won by the act, which in your opinion constitutes the most **entertaining** magical act.

In view of this the act should be considered from the point of view of **entertainment**. Imagine you are seeing it in a concert, or dinner or other show, either by itself or with a number of other acts of various types. Does it entertain you ?

The following points may assist you in judging :—

A. Consider general entertainment first—that is important—then, if you have several acts which you consider equally entertaining give your attention to the following :—

B. Consider the entrance and exit of the performer, the stage setting and condition of apparatus, his or her dress, deportment and elocution, the nature of the tricks performed and the reaction of the audience. If the act is a silent one note the effectiveness of the mime.

C. You will take into account magical ability but as you are viewing this from the layman's angle of entertainment with magic, your judgment must not be biased by a display of advanced technical ability which would **only be apparent** to a magician.

The points made above may help you decide. **YOU ARE NOT LOOKING FOR NEW TRICKS** — and if a performer does old ones very well in an **ENTERTAINING MANNER** — he deserves your marks. Remember that a layman may not have seen that vast repertoire of tricks that you know so well. Naturally the same remarks apply to patter.

The **SECOND AWARD** is for **ORIGINALITY**, and is in the main, the concern of those members of the panel who are magicians.

The merits necessary for this award are :—

1. Newness of effect, so far as is known.
2. A novel presentation employing twists on standard effects.
3. The entertainment value contained in such presentation of effects.
4. An adequacy of mystery.

The **THIRD AWARD** is that given to the best lady performer. This requires no further elucidation, the merits previously stated applying equally in this case.

So as to allow for any disparities in judgment which may arise you are asked to write down the names of what you consider to be the best four acts, adding, if these do not qualify in the first four places, the performers entitled to the second and third awards. Seal your paper in the envelope provided and hand it to the Umpire. **PLEASE DO NOT DISCUSS YOUR DECISION WITH ANY OTHER MEMBER OF THE JUDGING PANEL** until you have all handed over your envelopes.

ROVI

CYMRU

The WIZARD of

WALLES

The image features a central photograph of a man in a tuxedo and bow tie, looking down at a fan of playing cards he is holding. He is seated at a table with two cards laid out in front of him. The background consists of horizontal blinds. The image is framed by a thick black border containing stylized text and graphics. At the top, the word "ROVI" is written in large, white, stylized letters. Below it are four playing card symbols: a club, a heart, a spade, and a diamond. On the left side, there is a shield-shaped graphic containing a map of Wales and the word "CYMRU". On the right side, there is another shield-shaped graphic containing a dragon. At the bottom, the text "The WIZARD of" is written in a stylized font, followed by "WALLES" in large, white, stylized letters, flanked by two asterisks.
