THE PRESIDENT'S MESSAGE

It gives me great pleasure to greet you and welcome you to the 1966 Convention here at Hastings. I am quite convinced that this British Ring Convention will go down in the annals as one of the great Conventions.

Two factors contribute to the success of any event such as this, first, considerable hard work and planning by the organisers, and secondly, the facilities of the town chosen as the venue, plus the co-operation of the town's officials. There is no need for me to tell you of the months of hard work that have gone into the plans for this Convention by our Secretary, Wm. G. Stickland and his team of Committee Members. But it is not only hard work that will make this event such an outstanding success, it is the vast experience gained over the past 29 years and culminating in this our 30th Convention and our 3rd visit to Hastings.

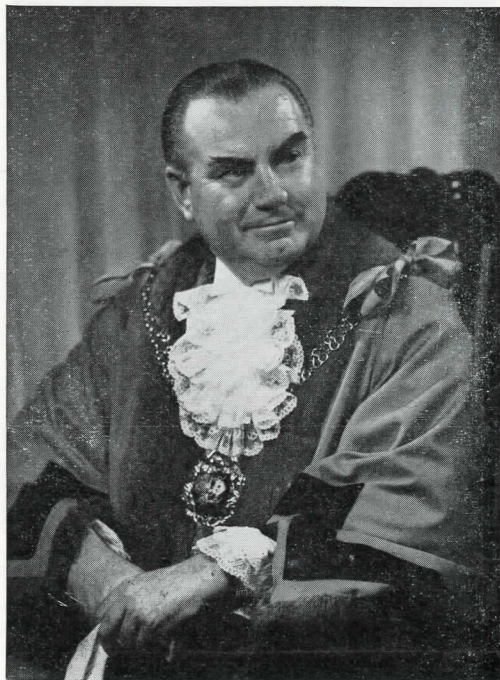

We are specially proud to be here during this historic year and we are fully aware of the excellent facilities this particular town offers to us. But we remember, with special pleasure, the wonderful hospitality extended to us in 1952 and again in 1960 by the Mayor and Mayoress and our very special friends, Mr. A. K. Vint (Hastings Public Relations Officer) and Mr. J. Burton, (Hastings Entertainment Director). From the earliest concept of this Convention six years ago, both Mr. Vint and Mr. Burton have worked in close liaison with our Secretary and his team. Indeed, I have personal knowledge of the endless trouble they have gone to to arrange the various facilities we require. On behalf of you all, I would ask the Mayor and Mayoress and Mr. Vint and Mr. Burton, to accept our sincere thanks.

The brochure now in your hands outlines a four day programme of Magic both entertaining and stimulating, but equally important, the coming four days will enable you to meet your old friends and make many new ones. Both the President's Lady and myself, hope to meet many of you personally, specially if you are attending a Convention for the first time.

But not all our members will be here—some will be prevented from coming through illness. To them I would say, we are thinking about you, we are missing you. May you soon be restored to good health and we look forward to your company next year.

TOMMY ROWE.

MESSAGE FROM THE MAYOR OF HASTINGS

MAYOR'S PARLOUR,
TOWN HALL,
HASTINGS.

I am delighted to have this opportunity of extending a very warm welcome to the British Ring of the International Brotherhood of Magicians who will be holding their 30th Annual Convention in Hastings this year.

We remember with great pleasure their previous visits to our town, and we are particularly pleased that Hastings has again been chosen as the venue for the Convention in this momentous year of 1966 which marks the 900th Anniversary of the famous Battle.

I sincerely hope that the Convention will prove to be one of the happiest and most successful, and that everyone attending will enjoy their stay here. I look forward to meeting you all in September.

DOUGLAS W. WILSHIN,
Mayor.

GREETINGS from the INTERNATIONAL PRESIDENT

The officers and Board of Trustees of the International Brotherhood of Magicians extend their greetings and best wishes on this occasion. I join them in those sentiments.

Each Convention brings together old friends and makes, for each of us, new ones who are also dedicated to the principles of our Brotherhood. These satisfying and rewarding friendships, both old and new, will endure even as the mysteries of Magic.

In your association with those who share our interests in the Art I know you will be further enriched in knowledge and skill. I know you will carry away with you countless pleasures and enjoyments this Convention will offer.

And to those who have worked so diligently and given so unselfishly of themselves to make this occasion a most memorable one, I extend my sincerest thanks. Your efforts and dedication are in the finest traditions of our International Brotherhood.

HOWARD BAMMAN,
President,
International Brotherhood of Magicians.

COMPETITION
for the
NEW SILVER
BRITISH RING
SHIELD

Conditions Relating to Performance in the British Ring
(International Brotherhood of Magicians)
Annual Competitions

These competitions shall be open to all paid up members of Ring 25 THE BRITISH RING. There shall be three main awards as follows:—

1. **THE NEW SILVER BRITISH RING SHIELD** and Cash Prize £10.
This will be awarded for the presentation of the most entertaining magical act and is held for one year.
 2. **THE CONVENTIONEERS TROPHY**
The greatest originality shown in either effect, method of presentation and is held for one year.
 3. **THE CRAIG TROPHY**
For the best performance by a lady magician and is held for one year.
- In addition there are the
THEO SPEAKER CUP and Cash Prize of £5 for runner up.
To be held for one year.

THIRD PRIZE £3.

TOM HARRIS CUP (Comedy) and Cash Prize of £5-5-0 (kindly donated by Tom Harris).

DITTIA SHIELD (Manipulation).

No bar is placed upon the number of awards that can be obtained by a successful competitor and thus a male winner of the British Ring Shield, could, having presented the most entertaining and at the same time the most original act, qualify for two awards.

In the same manner a lady competitor equally successful would be entitled to all three awards.

The length of act submitted by each competitor should not exceed ten minutes playing time, and to assist him or her, a warning light will be flashed at the end of nine minutes. **Any competitor exceeding a time of ten and a half minutes will be automatically disqualified and such disqualification will be announced from the stage immediately before the appearance of the next competitor.**

The judges would consist of five members of the Ring, the local Entertainments manager and the Editor of the local paper. This composition might have to be varied according to location. There would be an umpire, a senior official of the Ring, who would have complete powers to accept or reject the judges' decisions. If he rejected them, he would be required to place his decision and reasons therefore before the Committee.

For additional guidance, the instructions to Judges are appended.

ANNUAL COMPETITIONS

INSTRUCTIONS TO THE JUDGES

There are three competitions which require your judgment. The first is for the major award, the **BRITISH RING SHIELD**.

This will be won by the act, which in your opinion constitutes the most **entertaining** magical act.

In view of this the act should be considered from the point of view of **entertainment**. Imagine you are seeing it in a concert, or dinner or other show, either by itself or with a number of other acts of various types. Does it entertain you ?

The following points may assist you in judging :—

A. Consider general entertainment first—that is important—then, if you have several acts which you consider equally entertaining give your attention to the following :—

B. Consider the entrance and exit of the performer, the stage setting and condition of apparatus, his or her dress, deportment and elocution, the nature of the tricks performed and the reaction of the audience. If the act is a silent one note the effectiveness of the mime.

C. You will take into account magical ability but as you are viewing this from the layman's angle of entertainment with magic, your judgment must not be biased by a display of advanced technical ability which would **only be apparent** to a magician.

The points made above may help you decide. **YOU ARE NOT LOOKING FOR NEW TRICKS** — and if a performer does old ones very well in an **ENTERTAINING MANNER** — he deserves your marks. Remember that a layman may not have seen that vast repertoire of tricks that you know so well. Naturally the same remarks apply to patter.

The **SECOND AWARD** is for **ORIGINALITY**, and is in the main, the concern of those members of the panel who are magicians.

The merits necessary for this award are :—

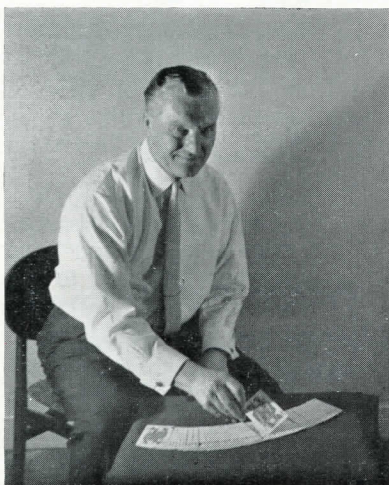

1. Newness of effect, so far as is known.
2. A novel presentation employing twists on standard effects.
3. The entertainment value contained in such presentation effects.
4. An adequacy of mystery.

The **THIRD AWARD** is that given to the best lady performer. This requires no further elucidation, the merits previously stated applying equally in this case.

So as to allow for any disparities in judgment which may arise you are asked to write down the names of what you consider to be the best four acts, adding if these do not qualify in the first four places, the performers entitled to the second and third awards. Seal your paper in the envelope provided and hand it to the Umpire. **PLEASE DO NOT DISCUSS YOUR DECISION WITH ANY OTHER MEMBER OF THE JUDGING PANEL** until you have all handed over your envelopes.

MAGICIANS :

There's always plenty to interest you in "The World's Fair". Apart from Bayard Grimshaw's page of news, views, and to-the-point comment, such other regular writers as Jimmy Lynton, Knox-Crichton and Ben Bono frequently deal with matters of magical interest.

DEALERS:

Don't overlook "The World's Fair" as an advertising medium: many magicians have been buying it every week for the last thirty years, and our magical readership increases steadily week by week. 27,311 certified circulation includes thousands of potential customers.
