PRESIDENTIAL GREETINGS

I welcome all Conventioneers to Scarborough for our 53rd Annual Convention. In particular a special greetings to all our Overseas Visitors many of whom have been regular supporters of our Convention for many years.

I send all our members who are unwell or infirm my sincere wishes and thank the band of reporters who give them a report of all the Convention events.

Our appreciation goes to all the Societies we have visited during the past twelve months and Theresa joins me in thanking them for their hospitality and kindness.

To everyone attending, organising and performing we offer our thanks and our wish that you have a super Convention.

RON MacMILLAN

President, British Ring No 25

International Brotherhood of Magicians.

SCARBOROUGH 1989

THE INTERNATIONAL PRESIDENT'S MESSAGE

Occasionally the traditional greeting from the International President comes not from many thousands of miles away across the oceans but from our very own British shores, and I am very proud to be the third such person in this elevated position. I would like to thank all my friends in magic, and in the British Ring in particular, who have helped and encouraged me along the path to this honour.

As President it is my privilege to promote the International Brotherhood of Magicians as the world's greatest magical organisation, and one to which we should all be proud to belong. It is also my pleasure to attend many international conventions, and this being my thirty-third at the British Ring I know why these are regarded as among the very best in the world, and there is no reason to believe that this will be any different. This convention is noted throughout the world of magic for the spirit of friendship that prevails and the courtesies extended to our guests, so this year why not make that extra special effort to greet an overseas visitor and to show them that we are a truly International Fraternity.

In 1969 Scarborough proved to be a very memorable convention for Elizabeth and I, and in sending this greeting to all conventioners and to all members of Ring 25, the largest in the International Brotherhood of Magicians, I hope that, in 1989, it will provide many happy memories for each of you. Have a magical week.

TONY SHELLEY
(International President)

A MESSAGE OF WELCOME FROM THE MAYOR OF THE BOROUGH OF SCARBOROUGH

I am very pleased to have this opportunity to extend a message of welcome to everyone attending the 1989 conference of the International Brotherhood of Magicians.

Since Local Government re-organisation way back in 1974, the Scarborough Borough Council has administered an area which embraces the three highly popular resorts of Scarborough, Whitby and Filey, some 40 miles of coastline, the ancient fishing villages of Robin Hood's Bay, Runswick Bay and Staithes and more than half the North York Moors National Park. We believe it is one of the most beautiful areas of Britain and I sincerely hope that those of you who are making your first visit to Scarborough will be able to find the time to explore the town and at least some of the surrounding countryside.

I hope also that you will enjoy the unique atmosphere and delightful setting of the Spa Complex which, since your conference was last held here in 1979, has been completely refurbished at a cost exceeding £6m. Many hotels have similarly been upgraded in the recent past and, as a result, it is our proud boast that Scarborough's conference facilities are among the finest in the country.

The Mayoress and I are extremely sorry that we will be unable to act as hosts at the civic reception on the evening of Wednesday 20th September but I know that the Immediate Past Mayor, Councillor Mrs. Eva Mullineaux, is very much looking forward to doing so.

We extend sincere good wishes to you all for a successful, rewarding and, above all, happy conference.

FROM THE CHIEF WELFARE OFFICER

I am grateful to all who have kept me informed of our sick members and casualties, and for the many letters of appreciation I have received during the year from those whose health has in some way been affected. To all - and there are some whom I don't hear about - I send greetings and best wishes for better days and improved health. We shall miss those regular conventioners who are unable to be with us, but you are remembered, and we hope to see you another year.
