The President's message

On behalf of the Convention Committee and everyone who has worked so hard to bring this 76th Annual Convention together it is my great pleasure to welcome you all to our venue here in Great Yarmouth. We were last here 21 years ago in 1991 and so much has changed during that time, not only here in Great Yarmouth but in the world of magic.

I know you would like to join me in congratulating and welcoming our very own hardworking Secretary, John Pye, who has served us well over many years and now attends this convention as the **International President**.

This all British event gives us the opportunity to witness the amazing talent and skills of those performers who mostly have never appeared at our Conventions. Let us please afford them the courtesy they deserve and remember, this is not television, there is no glass screen in front of you, so do applaud when you sit back to watch and enjoy their performance.

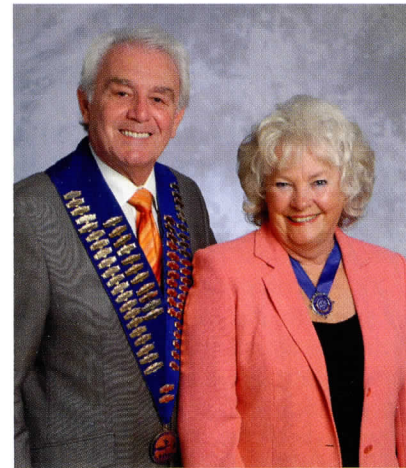

Let us all remember those members who are unable to attend this year, either through illness or experiencing difficult times, we spare them a thought and perhaps a card to them from Great Yarmouth would indicate we are thinking of them.

I am deeply honoured to have once again served as your President, it is indeed a privilege and a position I have not taken lightly. I have been able to attend many functions and conventions here and abroad during my time in office all, in my quest to uphold the dignity of the British Ring.

Audrey and I wish you all a GLORIOUS, Great Yarmouth Convention

Brian Miller
PRESIDENT OF THE BRITISH RING No 25
INTERNATIONAL BROTHERHOOD OF MAGICIANS

The International President's message

I am greatly honoured to be writing this message as International President of the IBM, and I shall look forward to being a guest at our own Convention here at Great Yarmouth. As you will know I am only the fourth British Ring member to have taken on this high office following the footsteps of William G. Stickland, Jeffery Atkins and Tony Shelley. It all seems very strange to one who has been convention organiser for the past eight years and is still the Executive Secretary of The British Ring to be in this exalted position. I shall look forward to meeting you all during the week and 'having fun with magic'.

I would like to take this opportunity of thanking David Ball, Peter Scarlett and Brian Miller for taking on the organising of this event. It is not an easy job but is most rewarding.

I bring greetings from the IBM Board for a memorable all British Convention.

JOHN PYE
International President IBM

Message from Her Worship The Mayor of the Borough of Great Yarmouth

I am delighted to welcome you to Great Yarmouth for the first International Brotherhood of Magician's Convention to be held here in 20 years. We anticipate that you will find the resort much changed further to the huge amount of refurbishment and regeneration that has taken place on Marine Parade alone. I do hope that in addition to your lectures, seminars and magic performances you find time to enjoy our attractions, town centre, heritage quarter and seafront whilst you are here. Have a wonderful convention.

Light up Thumb tips: Extra strong red, like D-Lite, with removable gimmick for ease of battery changing, or using TT on their own. £5.00 pair.
