THE PRESIDENT'S WELCOME

It is my great pleasure to welcome you all to another British Ring Convention.

When I was given a box of tricks for the Christmas I was six, little did anyone think that fifty years later I would still be involved in this crazy world of magic.

My first British Ring Convention was Brighton in 1980, which makes this my thirty-fourth consecutive year. Since 1985 I have been part of the stage crew, so I am looking forward to seeing the convention from the other

side of the footlights this year.

Once again we will have the pleasure of our International President at our convention, as we welcome Shawn Farquhar, along with International Secretary Don Wiberg, both tireless ambassadors for our art.

Our convention is a time for sharing; sharing magic, sharing friendship and sharing memories. But let us take time out to remember those who are not able to share with us; through circumstances, through illness and those who have passed on.

Also give a thought to the organisers who have spent many months of planning to ensure that these few days run smoothly. Martin and I have met many of you during the year at various events and now welcome you to this, our 78th Convention, with the hope that you will all have a truly "magical" time here in Bournemouth.

Neil Roberts

PRESIDENT IBM BRITISH RING No. 25

FROM THE INTERNATIONAL PRESIDENT

It has been a number of years since I attended my first British Ring Convention, yet it seems like yesterday. The thing I recall most about the event was the feeling of camaraderie amongst the registrants and their willingness to include me in everything. Not just during the scheduled events of the convention, but in memorable moments such as going for fish

and chips or sharing a pint in the pub.

I invite you to seek me out and say hello. I am addicted to magic and love to watch and perform it all the time. I realize people attend this convention for various reasons. Some come to learn from the lecturers, others to buy the latest magic effect, most to see the star studded shows and if you're like me, to renew old friendships and make new ones too.

I suggest you take part in as much as you can. Attend everything possible, see all the magic you can experience and sleep when you get home. This is not the time to sleep, that's for when you go back to work... after all that's why they invented the desk!

Shawn Farquhar

INTERNATIONAL PRESIDENT IBM

FROM THE INTERNATIONAL SECRETARY

It has been almost 30 years to the day that I attended the 1984 British Ring Annual Convention in Eastbourne. At that time I was the International President of the International Brotherhood of Magicians. Now I am representing the I.B.M. as their International Secretary.

My wife, Joyce and I have many fond memories of the 1984

Convention and the hospitality shown to us by the members of the British Ring. We are honored to have been invited to represent the I.B.M. and are looking forward to seeing old friends and to make many new ones.

I wish the officers, organizers and convention attendees the best for a most successful convention.
